Subject: Request for Exception in Confidentiality of Internal Photos  
FCC ID: 2ASD7-AH100-0

To Whom It May Concern:

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's rules (47 CFR §§ 0.457, 0.459), we are requesting the Commission to withhold the following attachments as confidential document from public disclosure indefinitely.

- AH100 Internal Photos

Above mentioned document contains detailed system and equipment description are considered as proprietary information in operation of the equipment. The public disclosure of above documents might be harmful to our company and would give competitor an unfair advantage in the market. According to the document, "726920 D01 Confidentiality Request Procedures v01r02":

*(Internal photos) May be held confidential if the circuit board or internal components are not accessible to users. For example, it is acceptable if the circuit board is enclosed in epoxy.*

Based on this statement, since our product AH100 is completely encapsulated in black epoxy and the internal components are not accessible or visible to users, we would like to request for an exception.
