**RE: Class II Permissive Change for FCC ID: 2BFHD-THUNDER255, Granted September 09, 2024**

To Whom It May Concern:

We, Smart Route Company, are submitting an application for Class II Permissive Change against FCC ID: 2BFHD-THUNDER255.

There are no hardware or electrical modifications made to the applying Transmitter.

The changes filed under this application are:

- User Manual updated to show the full operating band which is supported by the original test report data. The grant needs to be changed to match the user manual and original test data.

Please contact me if you have any questions or need further information regarding this application.

Sincerely,

A handwritten signature in black ink, appearing to read "SA", is positioned above a blue horizontal line.
