RF Module REAR VIEW

The image shows a Huawei Li-ion battery (model 16046H0C 62133) lying on a blue surface. The battery is black with white text and symbols. It features a white label with a QR code and the date '2016-06-20'. The battery is connected to a multi-colored cable. A ruler is visible on the left side of the image, showing measurements in centimeters.
