These documents contain detailed system and equipment descriptions and related
information about the product, which 3M Company
considers to be proprietary, confidential, and a custom design and otherwise, would not
release to the general public. Since this design is a basis from which future technological
products will evolve, 3M Company
feels that this information would be of benefit to its competitors, and that the disclosure of
the information in these documents would give our competitors an unfair advantage in the
market.

Please contact me if there is any information you may need.

Sincerely,
