## **ATTESTATION OF COMPLIANCE TESTING**

The transceiver type has been tested in accordance with the requirement contained in the appropriate Commission's regulations. To the best of my knowledge, these tests were performed using measurement procedures consistent with industry or Commission standards and demonstrate that this equipment complies with the appropriate standards. Each unit manufactured, imported or marketed, will conform to the sample tested within the variations that can be expected due to quantity production and testing on a statistical basis. I further certify that the necessary measurements were made at Motorola Inc., located at 5555 N. Beach Street, Fort Worth, Texas, 76137, or at the radiation test facility located at 1605 Liberty School Rd., Azle, TX 76020
