Re: Applicant: Ergotron
FCC ID: reg. no. 0029266434
FCC Rule Parts 15.247 and 15.407 - Class II Permissive Change

Ergotron requests a Class II Permissive Change to FCC ID: 2AVU2-C52XXXX1 under FCC rule parts 15.247 and 15.407.

The purpose of this change is to permit use of the original equipment manufacturers radio, within 20cm of the user.

Appropriate justification for use within 20cm will be provided in the form of a submitted RF exposure form.

Radio type is a single transmitter type 802.11 a/g/b/n utilizing a ceramic chip antenna.

Regards,

Dominic Del Vecchio
