Remote Control Car

CAUTIONS:

WARNING:

- Not for children under 3 years of age due to small parts
- Do not try to stop truck while in motion
- Keep hands, face and hair away from all moving parts
- Exercise caution during use at all times
- Do not allow children to disassemble the transmitter or controller by themselves
- Do not operate toy in the vicinity of other people, animals or other obstructions
- If the toy is broken during use. It should be checked or repaired by an adult
- Remove the batteries from the transmitter and controller when not in use
- All batteries must be recycled and/or disposed of properly
- Always read the instruction manual carefully before operating the toy
- Specifications and colours of content may vary from illustrations

BATTERY CAUTIONS:

Non-rechargeable batteries are not to be recharged

Rechargeable batteries are only to be charged by an adult

Do not mix new and old batteries or different types of batteries

Batteries are to be inserted with correct polarity

Do not short-circuit the supply terminals

Dead batteries are to be removed and properly discharged as they will hinder the truck's performance

Always use new and/of fully-charged batteries

Please check the wire, plug, shell and other parts of charger periodically and if any damage, stop using until fully repaired

WARNING:

CHOKING HAZARD-Small parts.
Not for children under 3 years.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.
