

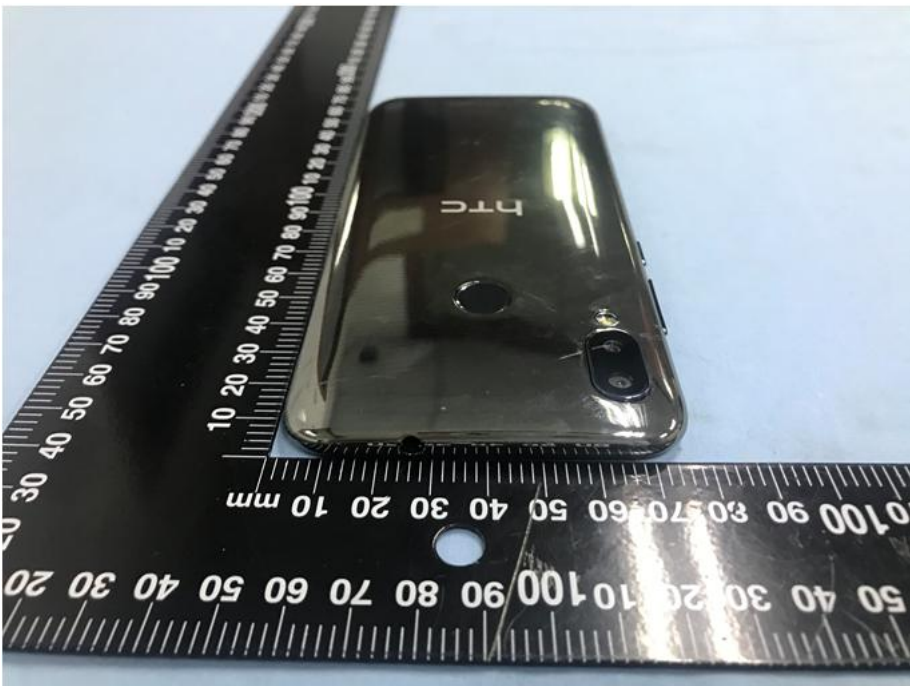

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing the external components of the EUT (External Under Test) device. A black smartphone is positioned vertically. To its right are a white charging adapter, a white charging cable, and a pair of white earbuds. A ruler is placed horizontally below the items for scale.
EUT View 2	 A photograph showing the black smartphone from a different angle, positioned vertically next to a ruler for scale.

EUT View 3	 A black HTC smartphone is shown from the back, standing vertically. It is positioned next to a black ruler with white markings. The ruler has two scales: a vertical scale on the left and a horizontal scale at the bottom. The HTC logo is visible in the center of the phone's back. The phone is placed on a light blue surface.
EUT View 4	 A close-up view of the back of the black HTC smartphone. The phone is lying horizontally on a light blue surface. A black ruler with white markings is placed below the phone. The HTC logo is clearly visible on the back of the device. The ruler shows measurements in millimeters and centimeters.

EUT View 5	 A photograph showing the back of a silver HTC smartphone. The phone is positioned horizontally on a light blue surface. A black ruler with white markings is placed below the phone, showing measurements in centimeters and millimeters. The HTC logo is visible in the center of the back cover. The camera lens and flash are located in the top right corner.
EUT View 6	 A photograph showing the side-back of a silver HTC smartphone. The phone is positioned vertically on a light blue surface. A black ruler with white markings is placed to the left of the phone, showing measurements in centimeters and millimeters. The HTC logo is visible on the back cover. The camera lens and flash are located on the side of the phone.
