

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing the front view of three rugged electronic devices, likely trail cameras, arranged horizontally on a blue surface. A black ruler is placed vertically to the left of the devices for scale. The devices are dark grey or black with a textured, protective casing. Each device has a small screen and several buttons. The rightmost device has a yellow LED light array. The ruler shows measurements in centimeters and millimeters.
EUT View 2	 A photograph showing the back view of the same three rugged electronic devices, arranged horizontally on a blue surface. A black ruler is placed vertically to the left of the devices for scale. The back of the devices shows a smooth, dark grey or black casing with some mounting points and a small label that reads "GardePro Trail Camera". The ruler shows measurements in centimeters and millimeters.

Model: E9PMB

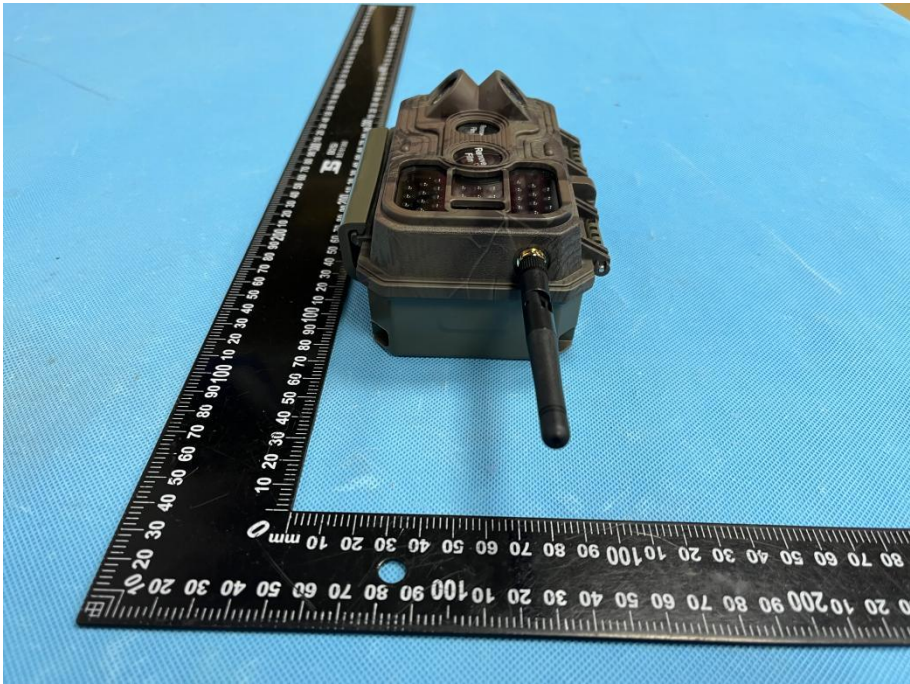

EUT View 1	 A photograph showing the front of a rugged, olive-green electronic device. The device has a small screen at the top, a keypad below it, and three circular buttons labeled 'Remove Pin', 'Remove Pin', and 'Remove Pin'. A black antenna is attached to the top. The device is placed on a blue surface next to a black ruler with white markings in centimeters and millimeters.
EUT View 2	 A photograph showing the side of the same olive-green electronic device. The device is shown from a side profile, highlighting its thickness and the location of the antenna. It is placed on a blue surface next to a black ruler with white markings in centimeters and millimeters.

EUT View 5

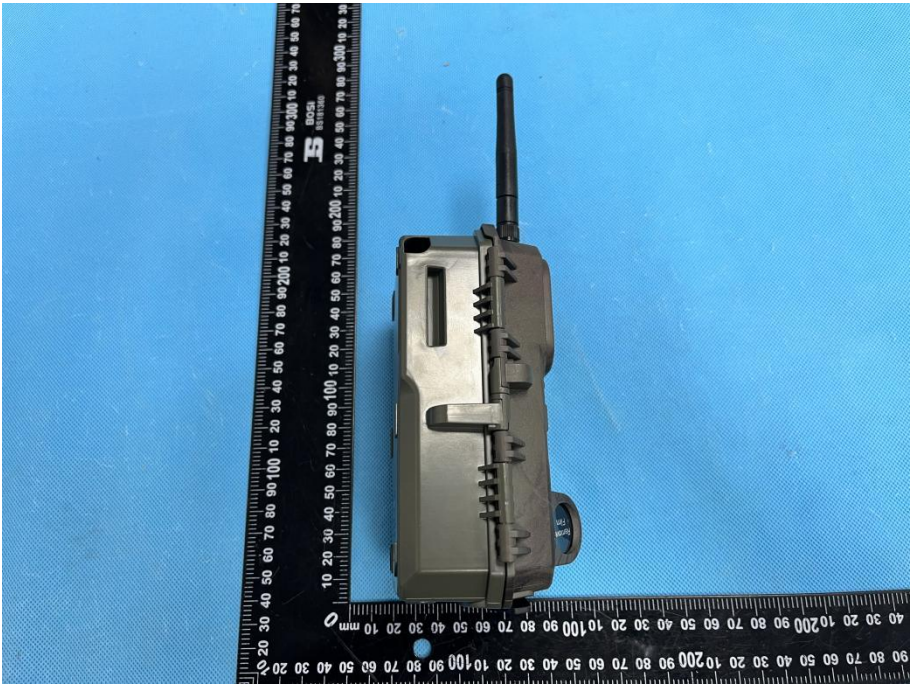

EUT View 6

Model: E9PCF

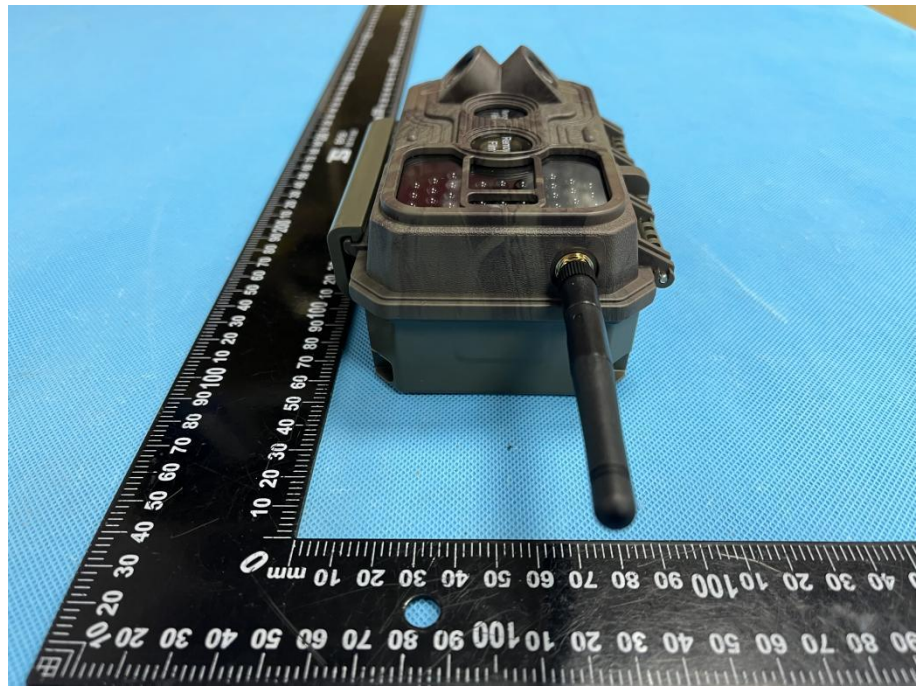

EUT View 1	 A photograph showing the front of a rugged, olive-drab electronic device. The device features a small screen, a numeric keypad, and several circular buttons labeled "Remove Film". A black antenna is attached to the top. A ruler is placed vertically to the left of the device for scale, showing measurements in centimeters and millimeters.
EUT View 2	 A photograph showing the side of the same rugged electronic device. It has a textured, olive-drab finish with various ports and a small display. A black antenna is visible on the top. A ruler is placed vertically to the left of the device for scale, showing measurements in centimeters and millimeters.

EUT View 3	 A photograph showing the back of a black, ruggedized electronic device. The device has a rectangular shape with rounded corners and a small antenna protruding from the top. A label on the back reads "GardePro Trail Camera Model# ESPCF www.waltek.com". The device is placed on a blue surface next to a black ruler with white markings. The ruler is oriented vertically, showing measurements in centimeters and millimeters.
EUT View 4	 A photograph showing the side of the same black, ruggedized electronic device. The device is oriented vertically, showing its profile. It has a small antenna on the top and a latch on the side. The device is placed on a blue surface next to a black ruler with white markings. The ruler is oriented vertically, showing measurements in centimeters and millimeters.

EUT View 5

EUT View 6

Model: E9PWF

EUT View 1	 A photograph showing the front of a rugged, black electronic device (EUT) lying on a blue textured surface. A black ruler with white markings is placed vertically to the left of the device for scale. The device features a small antenna at the top, a grid of yellow LEDs, and four circular buttons labeled 'Remove Film'.
EUT View 2	 A photograph showing the side of the same rugged, black electronic device. The device is oriented vertically, showing its profile and a small antenna. A black ruler with white markings is placed vertically to the left of the device for scale. The side view shows a textured, protective casing.

EUT View 3	 A photograph showing the back of a black, ruggedized electronic device. The device has a rectangular shape with rounded corners and a small antenna protruding from the top. A label on the back reads "GardePro Trail Camera Model# E9PW6 www.gardep.com". The device is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in centimeters and millimeters.
EUT View 4	 A photograph showing the side of the same black, ruggedized electronic device. The side view shows a series of small, rectangular protrusions along the edge, likely for mounting or protection. The device is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in centimeters and millimeters.
