RE: FCC ID: P7QRHV-8

We hereby certify that the above product complies with ETSI GSM 1900 Specification Standard.

Compliance was determined by testing appropriate parameters according to standard.

Extensive field testing has been performed against several different systems in the USA to verify the interoperability with different systems.

Sincerely,

A handwritten signature in dark ink, appearing to read "M. G. Pope", with a horizontal line underneath.

Mark G. Pope, Certification and Compliance Manager
