Overview

Charge three Apple devices at once with this Magnetic 3-in-1 Wireless Charger. You get the most effortless charging experience yet with Magnetic technology and up to 10W faster wireless charging. A magnetic charging module for Apple Watch, and a pad to wirelessly charge AirPods rounds out this 3-in-1 wireless solution for all your Apple devices. Bold, architecturally inspired design and stainless steel finishes compliment any space, from living room to office.

Key Features

Easy Magnetic Alignment

The new Magnetic technology for iPhone 12/13/13 and iPhone 12/13/13 Pro delivers seamless alignment and fast wireless charging every time for the easiest way to charge yet. A secure connection keeps your iPhone 12/13/13 or iPhone 12/13/13 Pro safely in place, even when your group text has it buzzing nonstop.

10W Faster Wireless Charging

Safely get the fastest possible charge for your new iPhone 12/13 or iPhone 12/13 Pro. Delivering up to 10-watts, you can get a power boost while getting ready in the morning or between meetings.

Charge All Your Apple Gear, All at Once

Charge your iPhone 12/13 and iPhone 12/13 Pro, Apple Watch, and AirPods at the same time with our Magnetic 3-in-1 Wireless Charger. There's a 10-watt Magnetic wireless charging stand for your new iPhone 12/13 or iPhone 12/13 Pro, a magnetic charging module for Apple Watch, and a pad to wirelessly charge your AirPods. TWS that support wireless charging can be use this unit, too.

Architecturally Inspired Design

Premium finishes like stainless steel complement your new iPhone 12/13 or iPhone 12/13 Pro and other Apple devices. The bold, modern design fits perfectly in any space, from office to living room.

Charge in Portrait or Landscape

Scroll through chats in portrait and rotate to watch videos in landscape. The Magnetic connection allows for a floating-like experience.

LED Indicates Charging Status

A blue LED light confirms your AirPods are aligned and charging optimally. LED blinks 1time/s when the Airpods is charging. But the LED blinks fast when the Airpods(TWS) is FOD.

A white LED light confirms your iPhones are aligned and charging optimally. LED blinks 1time/s when the iPhone is charging. But the LED blinks fast when the iPhone is FOD.
