Solder Board-Component View 2	 A photograph showing a small green electronic component with a circular black pad, mounted on a blue textured surface. A black L-shaped ruler with white markings in millimeters is placed next to the component for scale. The component is positioned near the 10 mm mark on the vertical ruler and the 20 mm mark on the horizontal ruler.
Antenna View	 A photograph showing the same green electronic component as in the previous view. A red rectangular box highlights the top edge of the component, which contains a small antenna. A red line points from a label box to this highlighted area. The same black L-shaped ruler is present for scale.
