
Engineering Release Note

Model	CDM-8945(TX-230)
Date	July 12th, 2005
Title	H/W and S/W Version of HAC test samples

We officially notice that the samples which have been submitted to and tested in the PCTEST for HAC regression have the information below.

1. H/W version : TX-230_REV_02, pre-production H/W
2. S/W version : D230VE2T03_8.159, approved binary by Verizon Wireless
3. Above H/W and S/W versions are almost same as production units.
The variation of CDM-8945 is color (i.e., from silver to black)

Sincerely,

K.P. Son
