Dear Regulatory Authority,

Ref: FCC Class II Permissive change for FCC ID: S5ESTPXS8
(Original Grant date: 05/19/2017)
Applicant: Satellite Tracking of People LLC

Dear Examiner,

This is to request a Class II permissive change for FCC ID: S5ESTPXS8, originally granted on 05/19/2017. The major change filed under this application is to allow use of the module in a portable host, specifically the SoberTrack Breathalyzer which is certified against FCC Part 15 C under FCC ID: S5EST10417. When installed in this host device the cellular module will operate at a very low, host-controlled, duty cycle. The duty cycle has been used in the RF exposure analysis to cover the portable exposure conditions presented by this portable host.

If you have any questions regarding this application, please feel free to contact me.

Sincerely yours,

Sincerely,

Stephen Freathy
