

# **Shure Incorporated**

## **Cover Letter**

FCC ID: DD4ULXD8X52

Date: Aug 24, 2016

### **USB function explanation**

The USB port is only used for charging and end users are not able to connect to PC for data transmission via USB port.

So this device didn't perform Part 15B testing, and FCC logo shouldn't be on the label.

Your understanding will be highly appreciated.

Sincerely,

---
