Subject: Information Request (EJE-WL0004 application)

Dear Mr. Lyles,

In response to your queries regarding the above referenced submission, all relevant data has been uploaded today for your review.

The application for equipment authorisation was originally uploaded to the FCC on 24th October 2003 however due to a number of reasons, the turnaround time for the submission has now extended to over 10 weeks.

As you can understand, our Client is very anxious to have this application completed and your urgent response in this matter would be greatly appreciated.

Best Regards
