Date (03/05/2021)

Federal Communications Commission

Equipment Authorization Branch

7435 Oakland Mills Road

Columbia, MD 21046

**Modular Approval Request**

**FCC ID: 2ANDL-ZTU-IPEX**

**The following attestation addresses the requirements to support modular approval:**

| Modular approval requirement   | Yes (provide brief statement)   | No * |
|--|---|------|
| (a) The radio elements must have the radio frequency circuitry shielded. Physical components and tuning capacitor(s) may be located external to the shield, but must be on the module assembly | The module has a metal shield. Refer to the external photo of EUT.  |      |
| (b) The module must have buffered modulation/data inputs to ensure that the device will comply with Part 15 requirements with any type of input signal   | Data to the modulation circuit is buffered as described in the operational description provided with the application. |      |
| (c) The module must contain power supply regulation on the module  | The module contains its own power supply regulation. Please refer to schematic filed with this application.           |      |
| (d) The module must contain a permanently attached antenna, or   | The module connects to its antenna using an IPEX  |      |

|  |   |  |
|--|---|--|
| contain a unique antenna connector, and be marketed and operated only with specific antenna(s), per Sections 15.203, 15.204(b), 15.204(c), 15.212(a), 2.929(b)           | connector which is considered a non-standard connector.<br>A list of antennas tested and approved with this device may be found in user manual provided with the application. |  |
| (e) The module must demonstrate compliance in a stand-alone configuration  | The module was tested standalone as shown in test setup photographs filed with this application.  |  |
| (f) The module must be labelled with its permanently affixed FCC ID label, or use an electronic display (See KDB Publication 784748 about labelling requirements)        | The FCC ID is printed on the label of the module. Refer to the label of EUT.  |  |
| (g) The module must comply with all specific rules applicable to the transmitter. The grantee must provide comprehensive instructions to explain compliance requirements | The module comply with all specific rules. Refer to the datasheet.  |  |

| <b>Modular approval requirement</b>                      | <b>Yes (provide brief statement)</b>  | <b>No *</b> |
|--|---|-------------|
| (h) The module must comply with RF exposure requirements | Please refer exhibition RF Exposure for the compliance of MPE RF exposure rule. |             |

\* Please provide a detailed explanation if the answer is "No."

Yours sincerely,

*Xiaodong Shou*
