

# Antenna Specification

## Specifications Summary

| ITEM                 | SPEC.                            |                                  |
|----------------------|----------------------------------|----------------------------------|
| Model Name           | ISM 2.4 GHz                      |                                  |
| Center Frequency     | 2.402GHz<br>2.441GHz<br>2.480GHz | 3.85 dBi<br>3.18 dBi<br>2.80 dBi |
| MAX. GAIN            | 3.85 dBi                         |                                  |
| Polarization         | Horizontal                       |                                  |
| Azimuth Beam Pattern | Omni-directional                 |                                  |
| Impedance            | 50 $\Omega$                      |                                  |
| Antenna Length       | 41 mm                            |                                  |

## Antenna Photo & Length

Manufacturer: Qingdao Machenike Technology Co., Ltd.
