

Watch charging wire

Instruction Manual

Item: 7143-65

Model: MC160-R

Functions:

1. 2-in-1 (Lightning & Micro) Output
2. Type-C output
3. iWatch Charging Surface
4. Type-C Input
5. USB-A Input

What's included:

- 1 x Charging Cable

Tech Specifications

- Input: USB-A & Type-C
- Output: Type-C & 2-in-1 (Micro & Lightning)
- Wireless Output: 2.5W
- Charge Current: 2A
- Cable length: 120cm

Instructions:

1. Charging Mobile Phones and Other Electronic Devices:

- Plug the charging cable into either the Type-C input port (4) or the USB-A input port (5) on the adapter.
- If using USB-A, ensure it's securely connected to the Type-C input port.
- Attach the 2-in-1 (1) or Type-C (2) output port of the charging cable to your mobile phone or any other rechargeable device for charging.
- To charge your iWatch, simply position it on the designated iWatch charging area (3).

SAFETY PRECAUTIONS:

- WARNING-When using this product, basic precautions should always be followed:

1. Read all the instructions before use.
2. Never store or use this product in temperatures below 32°F(0°C) or above 115°F(45°C).
3. Do not overcharge your phone. The unit may become hot under excessive use. Remove your phone once it is fully charged. Never charge your phone for more than 7 hours at a time.
4. To reduce the risk of injury, close supervision is required when the product is used near children.
5. Do not expose the device to moisture.
6. Do not use the device in excess of its output rating. Overload outputs above the rating may result in a risk of fire or injury.
7. Do not use the device if damaged or modified.
8. Damaged or modified batteries may exhibit unpredictable behaviour resulting in fire, explosion or risk of injury.
9. Do not disassemble the device. For repairs, seek a qualified service professional. Incorrect reassembly may result in a risk of fire or injury.
10. Do not expose the device to fire or excessive temperature. Exposure to fire or temperatures above 104°F may cause explosion.
11. To ensure product safety, ensure that identical replacement parts.
12. Attachments on the back of your phone can impede the effectiveness of the wireless charger, and lead to overheating. You must remove attachments from the phone before charging on this device.

FCC Statement:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
 - (2) This device must accept any interference received, including interference that may cause undesired operation.
- * Warning:
Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note :

This equipment has been tested and found to comply with the limits for a Class B digital device pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment the interference by one or more of the following measures:
Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Radiation Exposure Statement

The antennas used for this transmitter must be installed to provide a separation distance of at least 20 cm from all persons and must not be co-located for operating in conjunction with any other antenna or transmitter.

IC Statement :

- This device contains licence-exempt transmitter (s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

1. This device may not cause interference.
2. This device must accept any interference, including interference that may cause undesired operation of the device.
L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:

1. L'appareil ne doit pas produire de brouillage;
2. L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.
Radio Frequency Exposure Statement for IC This equipment complies with IC exposure limits set forth for an uncontrolled environment. This equipment shall be installed and operated with minimum distance 10 cm between the radiator & body.
Cet équipement est conforme aux limites d'exposition IC définies pour un environnement non contrôlé. Cet équipement doit être installé et utilisé avec une distance minimale de 10 cm entre le radiateur et la

carrosserie.
