Date: Monday November 27, 2000

Attn.: Authorization and Standards Division
Federal Communications Commission
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, MD 21046

File Number: FCC ID: PDCILM-2500

Subject: Application for Grant of Equipment Authorization

To Whom It May Concern,

The enclosed documents constitute a formal submittal and application for a Grant of Equipment Authorization pursuant to Part 22.901(d), of the Rules and Regulations of the FCC.

The data in this report demonstrate that the equipment tested complies with the FCC Part 15, SubPart B, Open Field Radiated Emissions Test limits for Class B devices. The CDPD Modem contained in the device; which falls under Part 22.901(d) is manufactured by Novaltel Wireless and already certified under FCC ID: NBZNRM-6832.

Application and report submitted on behalf of At Road, Inc., was prepared by International Technology Company (ITC). If there are any questions or if further information is needed, please call us at (925) 862-2944 or fax (925) 862-9013. Thank you.
