Subject: Request for withholding from public disclosure the schematics, block diagram, tune-up procedure and theory of operation.

Gentlemen:

We, Intel Corporation would like to request that the schematics, block diagram, tune-up procedure and theory of operation submitted with this application for certification be withheld from public disclosure as per Section 0.459 of the FCC Rules. This request is made under the provisions of Section 0.457(d) of the FCC Rules and Section 552(b)(4) of the Freedom of Information Act. These sections authorize as a withholding from public inspection materials which would be privileged as a matter of law if retained by the person submitting them, and materials which would not customarily be released to the public by that person.

If you have any questions, please do not to hesitate to contact us at 858-391-4411

Sincerely,

A handwritten signature in black ink, appearing to read "Robert W. Paxman", written over a horizontal line.
