Declaration Letter

Dear Sir,

For our business issue and marketing requirement, we would like to list below models on the W71-N15 certificates and reports, as following:

Model No.:

We declare that the difference of these is listed as below:

Main Model No	Serial Model No	Difference
W71-N15	W71-N11 , W71-N12	W71-N15 CCT 2700-6500K +RGB , W71-N11 2700K, W71-N11DL 5000K

The schematic, PCB layout, BOM and antenna are exactly the same between different models, but the difference in the number of lamp beads and color temperature has no effect on the BLE and WIFI modules , But there are differences in the number of LEDs and CCT.

Thank you!
