LABEL LOCATION

The diagram illustrates the internal layout of a Metarepeater unit. A central rectangular label is positioned in the middle, flanked by two large rectangular antenna arrays. Each antenna array is composed of a grid of small circles representing antenna elements. The label contains the following text: 'Metarepeater' (with 'Cell Phone Signal Booster' in smaller text below it), 'Band: Band12/17, Band 5, Band 2/25, Band 4, Band13', 'This is a CONSUMER device', and a detailed 'BEFORE USE' warning section. The warning section includes instructions to register the device with a wireless provider, mentions ISED CPC-2-1-05 requirements for Canada, and states that the device must be used with approved antennas and cables. It also includes a 'WARNING' section with a warning icon and text stating that E911 location information may not be provided or may be inaccurate, and that the device should only be used in a fixed location for in-building use. The label also displays the VIN 'HVIN:SF008C', the IC number 'IC:28093-SFZN008', and the FCC ID 'FCC ID:2A34B-SFZN008'. A red arrow points from the 'LABEL LOCATION' text to the top edge of the central label.
