

Model Name: IG31R-VZ-B-K9, IG31R-NA-B-K9

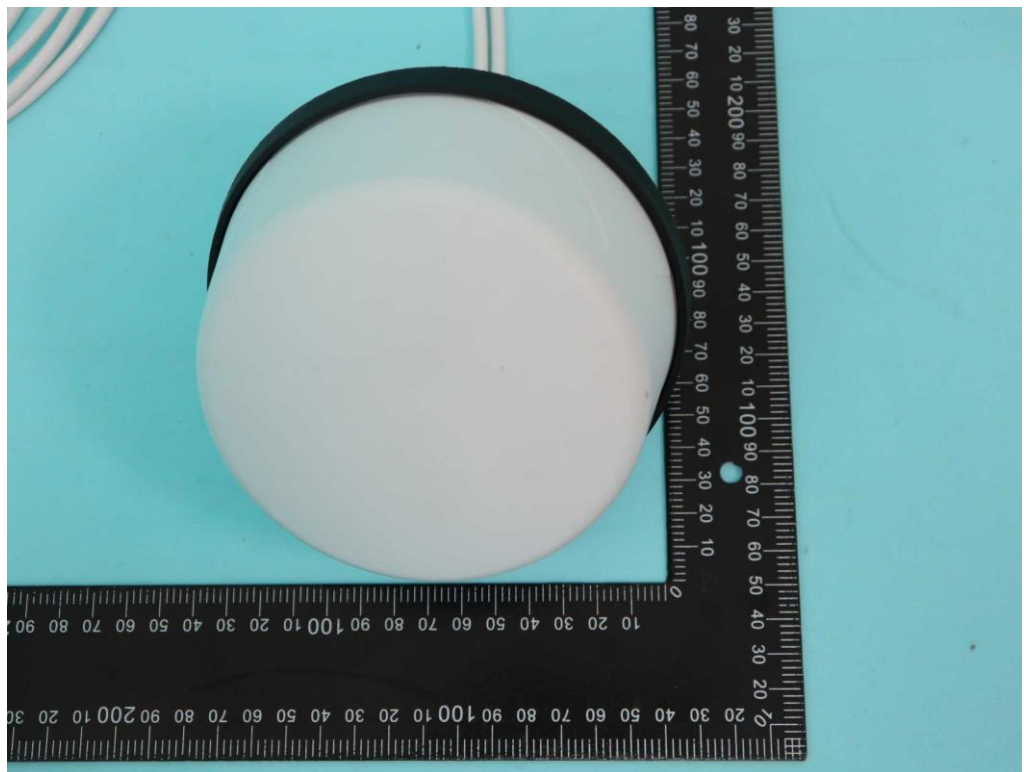

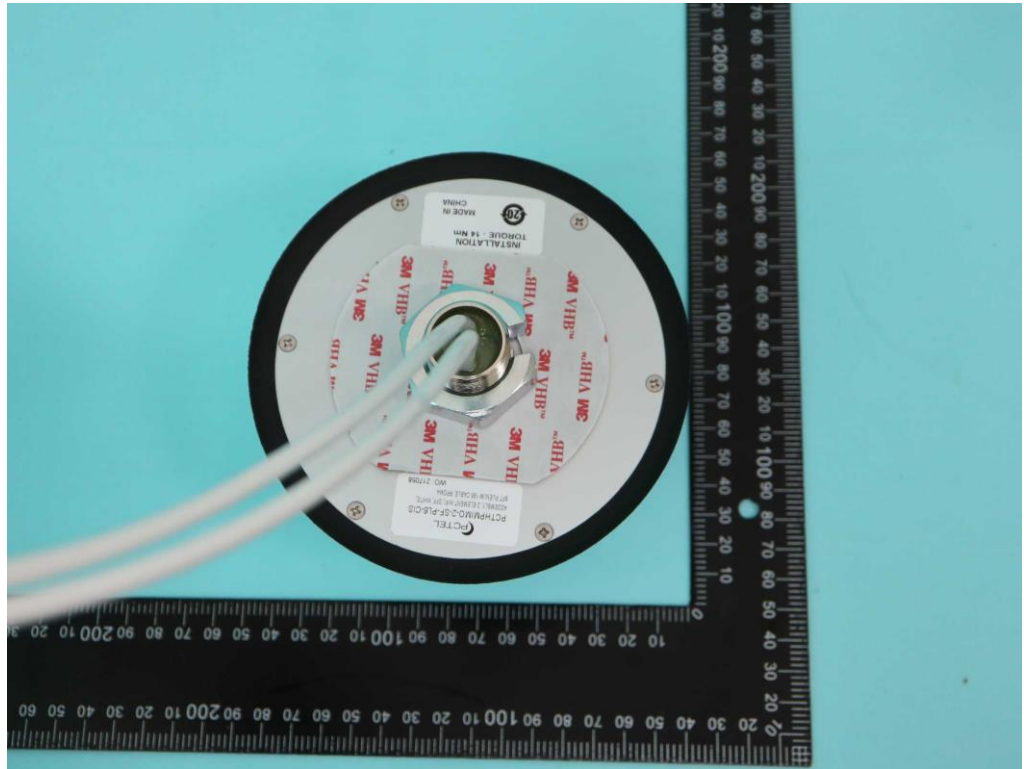

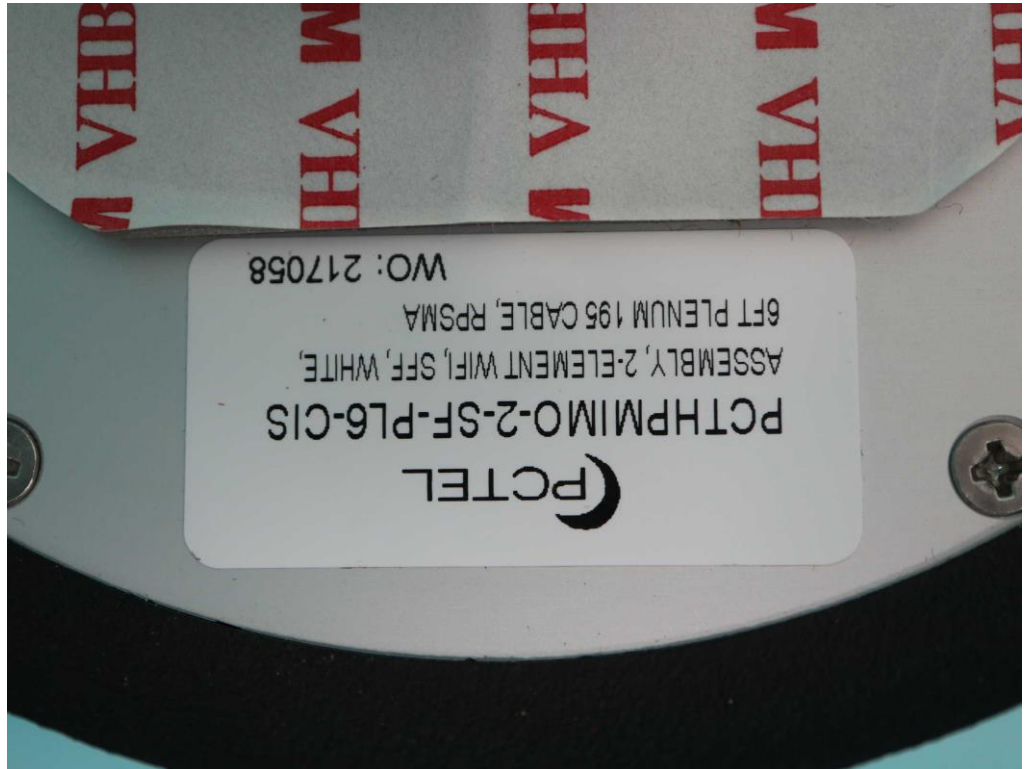

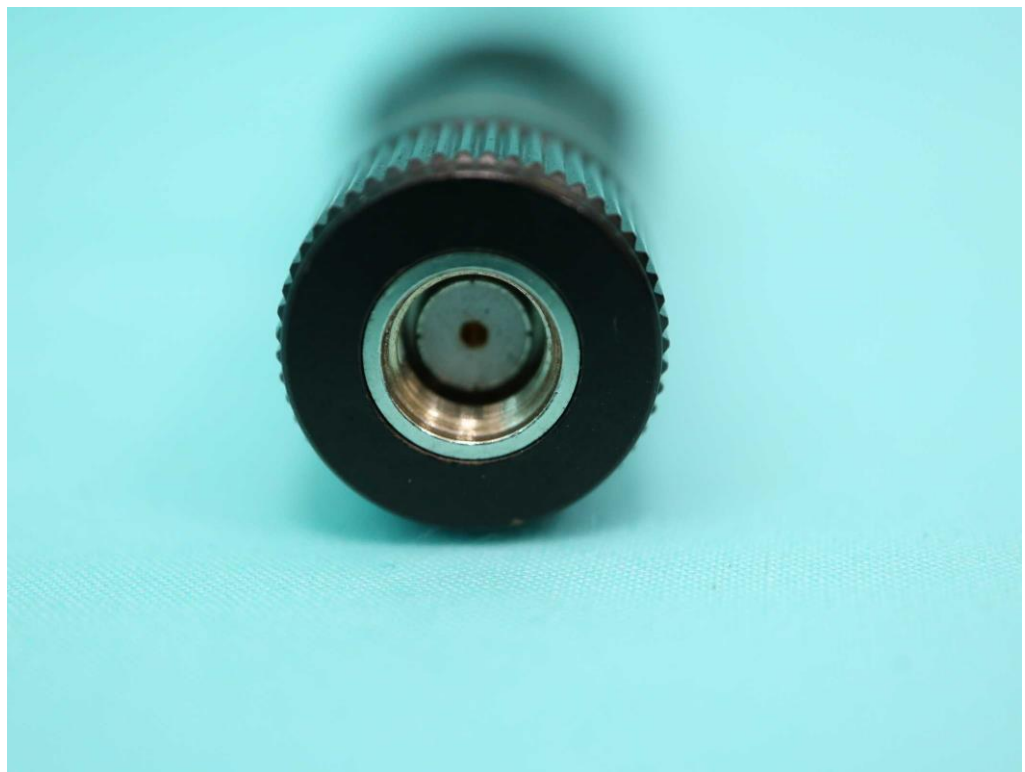

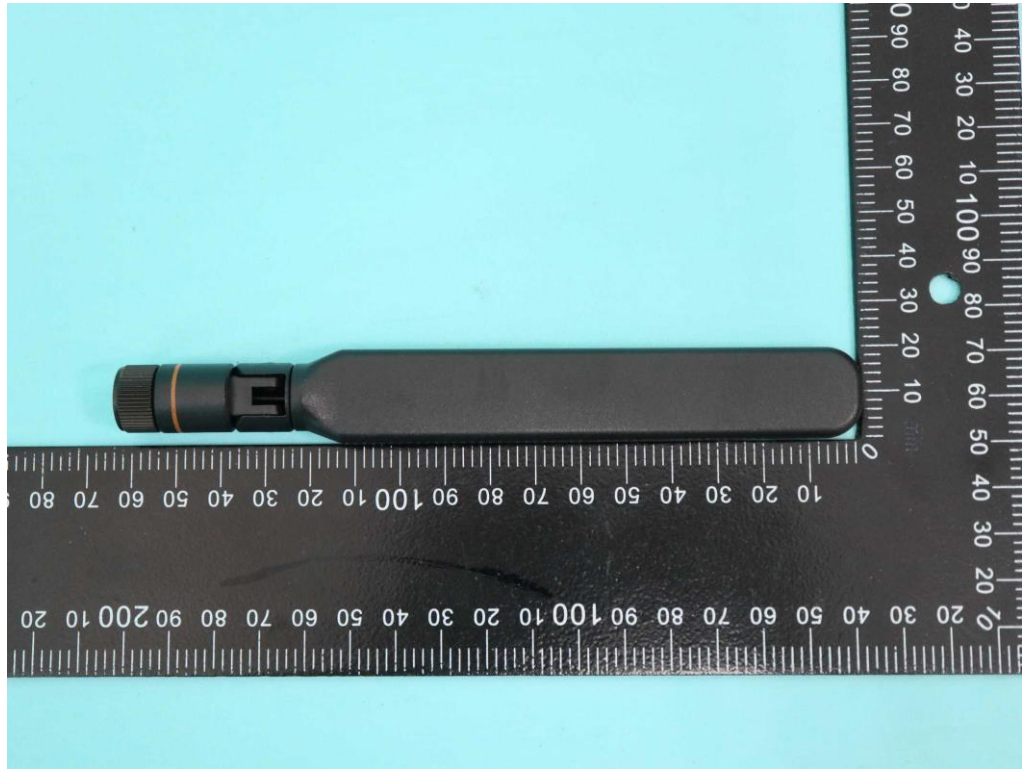

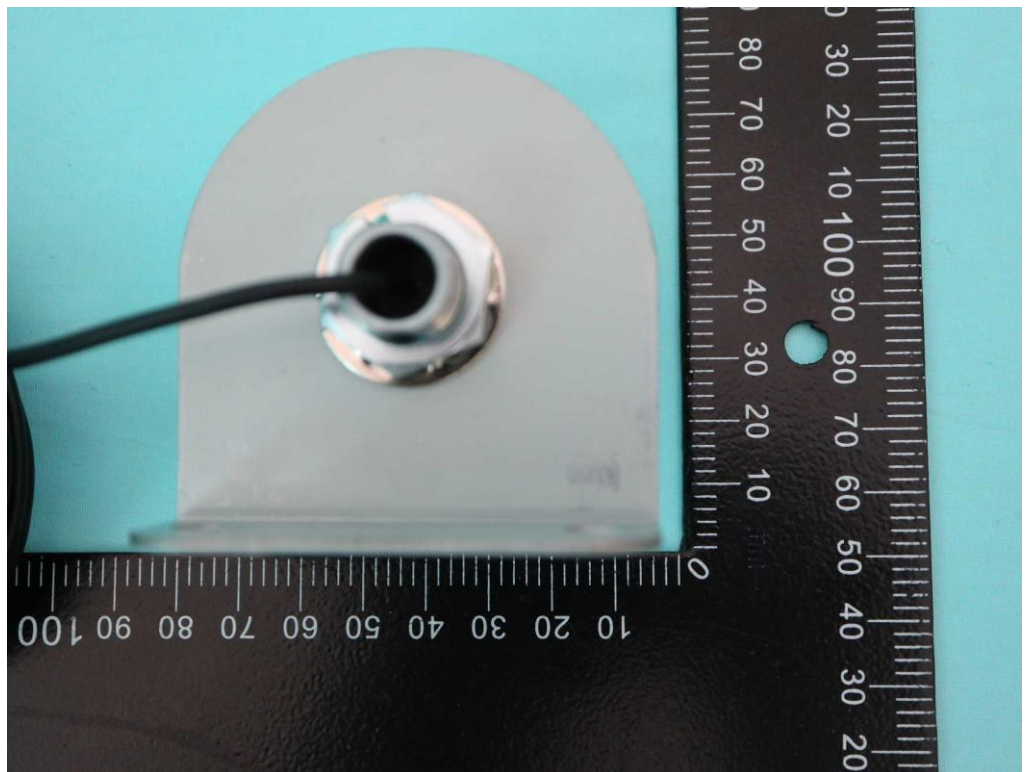

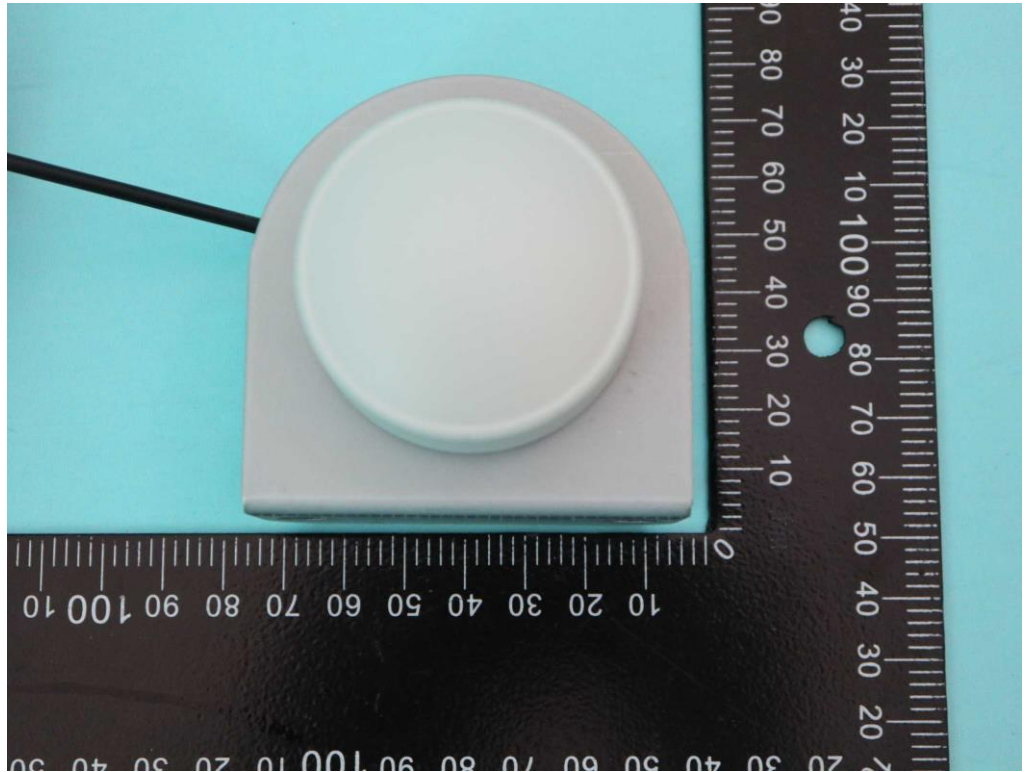

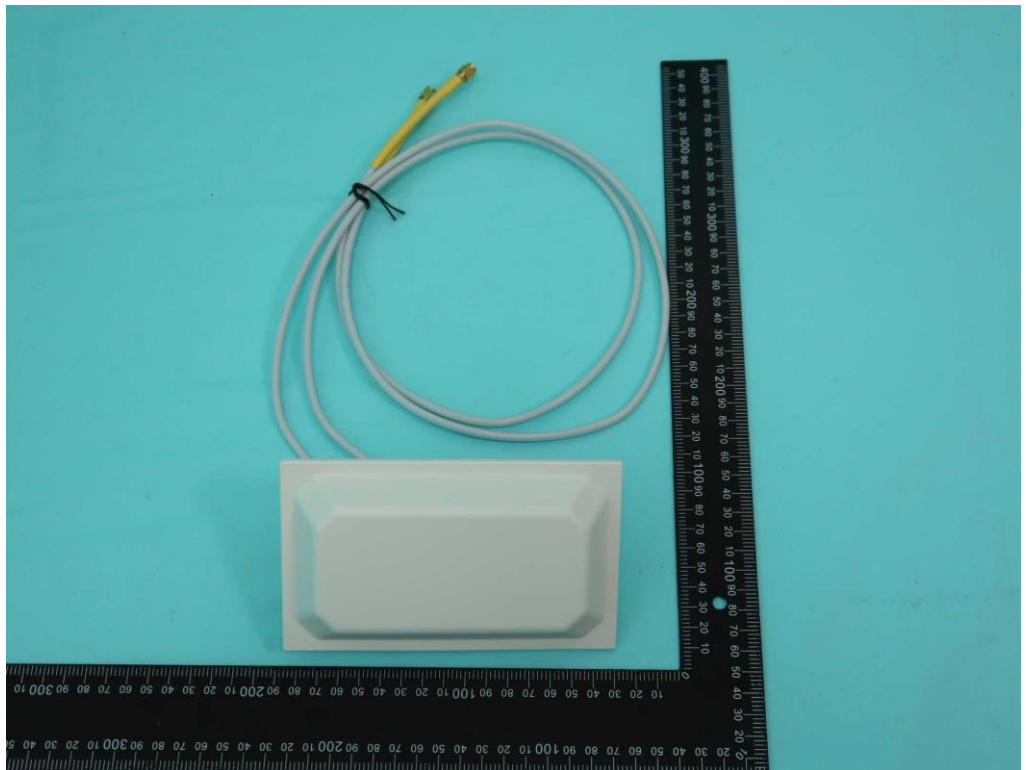

A white, rectangular, recessed object, possibly a light fixture or sensor, is shown against a blue background. The object has a central rectangular area with a slightly raised, beveled edge. To the right of the object is a black ruler with white markings, showing measurements in centimeters and inches. The ruler is placed horizontally, with the object's right edge aligned with the 10 cm mark. A white cable is visible in the upper left corner of the image.
