规格参数

• 型号:ACE01

• 耳机电池:40mAh

• 充电仓电池:400mAh

• 播放时间:6H(耳机) +24H(充电仓)

• 充电时长:1.5H

• 产品重量:45±5g

• 扬声器单元:φ10mm

• 输入:DC5V=450mA

注意事项

• 请在常温环境中存放以及使用本产品;

• 请勿将本产品长期暴露在雨中或潮湿的环境中;

• 请勿丢掷,避免因跌落造成产品破坏;

• 请勿自行拆解、修理和改造本产品;

• 请使用额定电压的电源充电器充电;

• 擅自拆解将使保修失效。

• 充电盒及耳机内的电池为不可更换电池

• 不得暴露在诸如日照、火烤或类似过热的环境中

保修卡

感谢您选择朗科产品。通过正规渠道购买的朗科产品依法享有国家规定的三包服务。查询具体细则请登录朗科中文网站:http://www.netac.com.cn
自签收之日起, 朗科无线蓝牙/有线耳机配件齐全且无人为损坏, 享有七天无理由退货, 十五天换货, 一年非人为有性能故障维修服务(有线耳机一年半)。

matters needing attention

• Please store and use this product in normal temperature environment;

• Do not expose this product to rain or humid environment for a long time;

• Do not throw it to avoid product damage caused by falling;

• Do not disassemble, repair or transform this product by yourself;

• Please use the power charger with rated voltage to charge;

• Unauthorized disassembly will invalidate the warranty.

• The batteries in the charging stand and earphone are non replaceable batteries

• Do not expose to such conditions as sunlight, fire or similar overheating

FCC Compliance Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference.
(2) This device must accept any interference received, including interference that may cause undesired operation.
This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
-Reorient or relocate the receiving antenna.
-Increase the separation between the equipment and receiver.
-Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
-Consult the dealer or an experienced radio/TV technician for help.

FCC Caution:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
