Sennheiser Communications A/S
Industriparken 27, DK-2750 Ballerup, Denmark
www.sennheiser.com

Printed in China, Publ. 08/17, A01

Important safety instructions

- Read the instruction manual, safety guide, quick guide (as supplied) carefully and completely before using the product.
- Always include this safety guide when passing the product on to third parties.
- Do not use an obviously defective product.
- Only use the product in environments where the DECT/Bluetooth® transmission is permitted. Before putting the product into operation, please observe the respective country specific regulations!
- Preventing damage to health and accidents**
 - Do not listen at a high volume level for long periods of time to prevent hearing damage.
 - Always maintain a distance of at least 3.94" (10 cm) between the ear cups and the cardiac pacemaker or implanted defibrillator since the product generates permanent magnetic fields.
 - Keep the product, accessories and packaging parts out of reach of children and pets to prevent accidents and choking hazards.
 - Do not use the product near water and do not expose it to rain or moisture to reduce the risk of fire or electrical shock.
 - Use only power supply units provided by Sennheiser.
- Preventing damage to the product and malfunctions**
 - Always keep the product dry and do not expose it to extreme temperatures (heat/ray, heater, extended exposure to sunlight, etc.) to avoid corrosion or deformation.
 - Use only attachments/accessories/spare parts supplied or recommended by Sennheiser.
 - Only clean the product with a soft, dry cloth.
 - Using the power supply unit from the wall socket, do not plug it into a power outlet with a different voltage.
 - When lighting lightning storms or during lightning for long periods of time.
 - Always ensure that the power supply unit is not connected to the power supply unit in a safe operating condition and easily accessible, properly plugged into the wall socket.
 - Only operated within the permissible temperature range (see "Specifications").
 - Do not short-circuit the contacts of the product. Make sure that no metal objects (e.g. paper clips, hat pins, earring) come into contact with the interfaces and contacts.
 - Only use the headset with the dedicated base station or charger.
 - Only connect Sennheiser accessories to the ACD port.

WARNING

In extreme cases, abuse or misuse of Lithium-Polymer battery pack can lead to:

- heat
- explosion
- fire
- smoke or gas

Only use rechargeable battery/receiver recommended by Sennheiser and the appropriate chargers.

Do not expose to moisture.

Switch rechargeable battery-powered products off after use.

Only charge rechargeable batteries at ambient temperatures between 10°C/50°F and 40°C/104°F.

When not using rechargeable batteries for extended periods of time, charge them regularly (about every 3 months).

Do not mutilate or dismantle.

Do not heat above 70°C/158°F, e.g. do not expose to sunlight or throw into a fire.

Intended use/Liability

The product can be used for telephone together with a telephone and/or computer (VoIP) and/or a mobile phone via Bluetooth. The headset system is intended for professional office or call center use.

If you use the dongle, Bluetooth device needs to support "hands free profile" (HFP), "headset profile" (HSP) or "advanced audio distribution profile" (A2DP).

It is considered improper if the product is used for what any application not named in the associated accessories.

Sennheiser does not accept liability for damage arising from abuse or misuse of this product and its attachments/accessories.

Manufacturer Declarations

Warranty
Sennheiser Communications A/S gives a warranty of 24 months on this product. For the full warranty conditions, please visit our website at www.sennheiser.com/contact your Sennheiser partner.

Sennheiser product warranty FOR AUSTRALIA ONLY
Sennheiser's goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

This warranty is in addition to other rights or remedies under law. Nothing in this warranty excludes, limits or modifies any liability of Sennheiser which is imposed by law, or limits or modifies any remedy available to the consumer which is granted by law.

To make a claim under this warranty, contact **Sennheiser Australia Pty Ltd** Unit 3 31 Gibbs Street Chatswood NSW 2087 AUSTRALIA. Phone: (02) 990 8300 email: sales@sennheiser.com.au

All expenses of claiming the warranty will be borne by the person making the claim.

The Sennheiser International Warranty is provided by Sennheiser Australia Pty Ltd (ABN 68 165 388 312), unit 3, 31 Gibbs Street Chatswood NSW 2087 Australia.

Wichtige Sicherheitsweise

Bei extremen Missbrauch oder Missbrauch des Lithium-Polymer-Akkus kann es zu:

- Hitze
- Explosion
- Feuer
- Rauch oder Gas

Nur verwenden Sie wiederaufladbare Batterien/Empfänger, die von Sennheiser und den entsprechenden Ladegeräten empfohlen werden.

Das Produkt darf nicht Feuchtigkeit ausgesetzt sein.

Das Produkt nach Gebrauch ausschalten.

Nur bei Umgebungstemperaturen zwischen 10°C/50°F und 40°C/104°F aufladen.

Bei längerer Nichtbenutzung des Produkts für längere Zeiträume das Produkt regelmäßig (ca. alle 3 Monate) aufladen.

Das Produkt nicht zerlegen oder beschädigen.

Das Produkt nicht über 70°C/158°F erhitzen, z.B. durch direkte Sonneneinstrahlung oder in der Nähe von Feuer.

Geplantes Produkt

Das Produkt kann für Telefonate zusammen mit einem Telefon und/oder Computer (VoIP) und/oder Mobiltelefon über Bluetooth genutzt werden. Das Headset-System ist für den professionellen Einsatz im Büro oder Callcenter bestimmt. Wenn Sie das Dongle verwenden, Bluetooth-Geräte müssen das Hands-Free-Profil (HFP), Hands-Free-Profil (HSP) oder Advanced Audio Distribution Profile (A2DP) unterstützen.

Es ist nicht zulässig, das Produkt für andere Zwecke als die in den technischen Daten beschrieben zu verwenden.

Sennheiser übernimmt keine Haftung bei Missbrauch oder nicht ordnungsgemäßer Nutzung des Produkts sowie der Zusatzgeräte/Zubehöre.

Gesundheitsrisiken und Unfälle vermeiden

- Hören Sie nicht über einen längeren Zeitraum mit hoher Lautstärke.
- Halten Sie das Produkt stets ab einem Abstand von mindestens 10 cm zwischen Ohrmuschel und Herzschrittmacher bzw. implantiertem Defibrillator (ICD), da das Produkt permanente Magnetfelder erzeugt.
- Halten Sie das Produkt, Verpackungen und Zubehöreteile von Kindern und Haustieren fern, um Unfälle und Erstickungsgefahr zu vermeiden.
- Setzen Sie dieses Produkt weder Regen noch Feuchtigkeit aus, andernfalls besteht die Gefahr eines Brandes oder elektrischen Schocks.
- Verwenden Sie ausschließlich von Sennheiser empfohlene Netzteile.

Produktstörungen und Störungen vermeiden

- Halten Sie das Produkt stets trocken und setzen Sie es weder extrem niedrigen noch extrem hohen Temperaturen aus (Frost, Heizung, lange Sonneneinstrahlung, etc.), um Korrosionen oder Verformungen zu vermeiden.
- Verwenden Sie ausschließlich die von Sennheiser mitgelieferten oder empfohlenen Zusatzgeräte/Zubehöreile/ Ersatzteile.
- Sennheiser does not accept liability for damage arising from abuse or misuse of this product and its attachments/accessories.

Règles importantes de sécurité

En cas d'abus ou de mauvaise utilisation du pack de batterie Lithium-Polymère, il peut y avoir:

- chaleur
- explosion
- feu
- fumée ou gaz

Utiliser uniquement les unités d'alimentation fournies par Sennheiser.

Ne pas exposer le produit à l'humidité.

Éteindre le produit après utilisation.

Ne charger les batteries qu'à des températures ambiantes comprises entre 10°C/50°F et 40°C/104°F.

En cas de non utilisation des batteries rechargeables pendant de longues périodes, recharger-les régulièrement (environ tous les 3 mois).

Ne pas endommager le produit.

Ne pas chauffer au-dessus de 70°C. Ne pas exposer, par exemple, aux rayons du soleil ni jeter au feu.

Produit prévu pour l'utilisation

Le produit peut être utilisé pour le téléphone et/ou un ordinateur (VoIP) et/ou un téléphone mobile via Bluetooth. Le produit est destiné à un usage professionnel de bureau ou d'appel. Si vous utilisez le connecteur sans fil, les appareils Bluetooth doivent être compatibles avec le profil mains-libres (HFP), le profil micro-casque (HSP) ou le profil de distribution audio avancée (A2DP). Il est considéré comme une utilisation incorrecte lorsque le produit est utilisé pour une application non mentionnée dans les guides des produits associés.

Sennheiser n'accepte aucune responsabilité pour les dommages résultant d
