

封面128铜板过油, 内页80g亚粉 胶装成品尺寸: 92*80mm

PANTONE Cool Gray 11C

Basic Parameters

Product name	DIZO Buds Z Pro
Product model	DIZ013
Bluetooth version	Bluetooth 5.2
Bluetooth protocol	HFP/A2DP/AURCP
Bluetooth code	SEC
Charging interface	Type-C
Endurance (In-use)	About 5h (earbuds)
Buds Z Pro	About 30h (case with charging cable)
Charging time	About 2h
Bluetooth communication distance	<10m
Working frequency	2402-2480MHz
Max power rate	<10dBm

Packing List

- DIZO Buds Z Pro x1
- Ear tips x6 (two of them have been mounted)
- User Guide x1
- Type-C charging cable x1

Disposal and Recycling Information

This symbol (with or without a solid ball) on the device, batteries (included, and/or in the packaging), indicates that the device and its electrical accessories (for example, headset, adapter or cables) and batteries should not be disposed of as household garbage.

Question temperature 0~40°C
Input: 5.0V ~ 0.5A
Output: 5.0V ~ 0.2A
Bluetooth Max: 100mW

Battery warning

The built-in lithium battery of the product is forbidden to be disassembled, impacted, crushed or put into fire. The battery under the low air pressure may result in explosion or flammable liquid or gas leakage. Avoid the battery in a high-temperature environment or being exposed to strong sunlight to avoid explosion. Don't use the battery continuously in case of overheating. The battery shall be handled pursuant to the local regulations and shall not be disposed as household garbage. Don't try to 'recharge' without or with the battery. The explosion may happen if the battery is replaced by the one which is incorrect model. Don't compress or puncture the battery with hard object. The battery leakage, overcharging or outbreak of fire may occur if the battery is damaged.

Declaration of Conformity:

Hereby, Realitt (Shenzhen) Intelligent Technology Co., Ltd. declares that this device is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address: <http://www.dizo.com/globals>

SAR RF exposure information: The SAR power of the device at maximal case is below the exempt condition. SAR1 (earpiece) is 0.159432071 RF exposure assessment has been performed to prove that this device will generate the maximum RF exposure above the reference level as specified in IC- Council Recommendation 1999/85/EC.

FCC Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's warranty to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. The equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. There is no guarantee that interference will not occur in a particular installation. If the equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Important Note:

Radiation Exposure Statement

The device has been evaluated to meet general RF exposure requirements. The device can be used in portable exposure condition without restriction. Federal Communications Commission (FCC) Radio Frequency Exposure Statement: Power is so low that no RF exposure calculation is needed.

FCC ID: 2A99942023

Warning

- Don't place the product into liquid environment or avoid the product exposed to high humidity.
- Avoid suction to avoid the damage to the product.
- Don't attempt to dismantle the product. Put the product in a cool and dry place to keep it dry if stored for a long time.
- Avoid touching the strong magnet to prevent the magnetic headband from being demagnetized.
- Avoid the dusty, wet and dirty environment where the electronic circuit of the equipment may be damaged if being used.

1. Don't use the equipment at the moment of thunderstorm because the thunderstorm may hurt equipment built or shock hazard.

2. Don't use the equipment when riding a motorcycle or a bicycle, driving a car or crossing the road to ensure your safety.

3. Keep the equipment out of reach of children or pets to avoid the damage.

4. Don't wash the equipment with chemical, detergent or strong detergent.

⚠️ Don't lean to the voice under high sound pressure and high volume for a long time to prevent the possible hearing impairment when the headset is used.

Warranty

Thank you for purchasing DIZO products.

We will provide comprehensive warranty services according to local laws and regulations.

2. For more details about our warranty policy please visit www.dizo.net/global

Matters Needing Attention:

- When you buy the product, the sales unit will issue a valid proof of purchase.
- The warranty card and the proof of purchase should be kept by the user properly, and it will not be replaced if lost.
- If the product fails due to non-human factors, the user can present the warranty card and proof of purchase to the DIZO customer service center for free maintenance during the warranty period.

Non-warranty situation:

This warranty does not cover the following cases:

- Out of warranty period
- Damage caused by use not in accordance with the instructions.
- Damage caused by non-mode causes.
- Damage caused by unauthorized disassembly, maintenance, or modification of the product.
- Damage caused by force majeure factors (such as floods, earthquakes, lightning, etc.).

5. There is no warranty card, invoice, or warranty card that does not match the invoice information.

- The product seems normal.
- Other failure and damages that are not caused by the quality of the product itself.
