--- Covered List Software Incapability<sup>1</sup> ---

Device (model name):	GTR1
Grantee:	2AHFT
FCC ID:	2AHFT872

Device features:

Operating System (as applicable):

Product system desktop

<sup>1</sup> List of minimum requirements to implement covered list software – if the EUT does not have capability to install Kaspersky under the given configuration. Page 2 must also be handed in.

**Note:** If the device is capable of running Kaspersky software, at least one document must be provided from a third party showing that the Kaspersky software is not present on the device. This could include the results of a software scan, a screen capture of the device software register or other objective evidence that proves the Kaspersky software is not on the device. Please follow options listed on page 2.
