Solder Board-Component View 3	 A photograph of a small, curved electronic component (likely a USB connector) placed on a black surface with a white millimeter ruler. The component is oriented horizontally. The ruler shows markings from 0 to 100 mm. The component has a gold-colored USB plug and several small electronic components (resistors, capacitors) soldered to it. The background is a light blue textured surface.
Solder Board-Component View 4	 A photograph of the same small, curved electronic component from a different angle, showing the underside. It is placed on the same black surface with a white millimeter ruler. The ruler shows markings from 0 to 100 mm. The component has various solder joints and small electronic components visible on the underside. The background is a light blue textured surface.
