Letter of Authorization

Date: 2021-12-14

Attn: To Whom it May Concern / Application Examiner / Review Examiner / Officer in Charge

Re: Authorization to Apply for a "Change in Identification" per Section §2.933 of the FCC Rules

Dear Madam or Sir,

We, U-Blox AG, having a principal place of business at Zürcherstrasse 68, CH-8800 Thalwil / Switzerland, in relation to our BLE radio module having part number BMD-345 and FCCID XPYBMD345 which was originally issued on June 14, 2020, grant permission on a one-time basis to the following company:

KCF Technologies, Inc.
336 S. Fraser St.
State College, PA 16801

to apply for a "Change in Identification" with FCC, concerning the above mentioned radio module.

We confirm we will be supplying the BMD-345 modules to KCF Technologies, Inc. unmodified and electrically identical to the original certified equipment. The original test results continue to be representative of, and applicable to the equipment bearing the changed identification.

Conversely, we have no control or responsibility with regards to the proper use and installation of our module in the products manufactured and sold by KCF Technologies, Inc. As a result, KCF Technologies, Inc. takes ownership and accountability for the compliance of their end-product, including any appropriate labeling to take into account the new identification.

Further details and supporting documents are attached.

Should you have any questions, please feel free to contact the undersigned.

Yours Sincerely,

Filip Kruzela
Certification Manager, u-blox AG
