

EXHIBIT 4 - TEST SETUP PHOTOGRAPHS

Conducted Emission Test Setup	 A photograph showing a conducted emission test setup. On the left, a wooden workbench holds a spectrum analyzer and other electronic equipment. A power supply unit sits on the floor next to the bench. To the right, a white table is illuminated by a desk lamp. Cables connect the various components.
Radiation Emission View (Below 30MHz)	 A photograph of a radiation emission test chamber. The walls are covered with white absorber panels marked with black crosshairs. In the foreground, a large metal frame holds a horn antenna. In the background, a white table with a lamp is visible. The floor is marked with blue and white striped tape.

**Radiation Emission
View (30MHz to 1GHz)**
