

Use manual

1.product Name: UNDERGLOWZ FLOW

2.model: 77982

3. Technical Data:

Bluetooth Version: BLE4.2

Radio Frequency Band: 2402 MHz to 2480 MHz

Antenna: PCB antenna(antenna type),

4.Operation Temperature range: -25~85℃

5.Function description: Mainly used in the bottom of the car, Bluetooth magic color, 5050 lamp beads RGB, 75 kinds of magic color mode scenes for use with APP, 10 kinds of monochrome modes are optional, 5 custom modes, set scene color modes There are 12 kinds. The color of the turntable can be selected in multiple modes;

6.Rate voltage: DC12V

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.

-- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

-- Consult the dealer or an experienced radio/TV technician for help.

Warning: changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment
