Orange Flashing Light:

When Knob is charging in Power Off mode, LED displays orange flashing light. When the power if full, it displays green light.

Note:

- The Remap Setting in each Mode will be memorized. For example: you make a Remap Setting in PS4 mode, then switch to NS Mode. The next time you switch back to PS4 mode, the Remap Setting in PS4 mode still remains.
- The default currently of Backup Mode has no function, it is reserved for possible future product upgrades.

How to Install MARINE

Use the attached Lock Tool to loosen the cover of the lower edge of MARINE

2. Attach the lock cover to PS4 Controller.

110mm

110mm

3. Place MARINE carefully into PS4 controller.

 Sit the lock cover to MARINE, don't forget to relock it.

Replace the battery and paddles

- Press and hold the battery latches on both sides of the MARINE to open the battery cover.
- 2. Place the fully charged 18650 lithium battery. Be sure to confirm that the battery is in the correct direction.
- 3. Insert or remove the paddles according to your requirement.
- 4. Relock the battery cover.

Note:

6

This product has 2 versions, "Battery version" and "Non Battery version". When you choose to purchase MARINE with "Battery version", it includes a 3350mAh 18650 Lithium Battery, which takes 4 hours to be fully charged and 8 hours continuous use. However, if you purchase the "Non Battery version", please remember to purchase a 18650 Lithium Battery.

FCC Statement:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- -Reorient or relocate the receiving antenna.
- —Increase the separation between the equipment and receiver.
- —Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
- Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

如何安裝 MARINE

1. 使用附屬的固定蓋專用工具鬆 開MARINE下緣的固定蓋。

2. 將固定蓋安裝到 PS4控制器上。

3. 將MARINE的控制器連接器 安裝到PS4控制器上。

4. 將固定蓋與MARINE扣合,重新旋緊固定蓋。

更換電池與撥片

- 1. 按住MARINE兩側的電池蓋卡榫,打開電池蓋。
- 2. 將充電完成的18650鋰電池放入。

※務必確認電池方向是否正確。

- 3. 根據需求將額外按鍵用的手把撥片插入或取出撥片槽。
- 4. 重新扣緊電池蓋。

注意事項

6

本產品分為「內含電池版」與「無電池版」與。選擇購買 「內含電池版」的MARINE時,產品內附3350mAh的18650 鋰電池;約需充電四個小時,可支持連續八小時使用。 「無電池版」請另行選購適用電池。
