Solder Board-Component View 1	 A photograph of a green printed circuit board (PCB) component, labeled 'Solder Board-Component View 1'. The component is rectangular and features various electronic components, including a central integrated circuit (IC) and several smaller components. It is positioned next to a black ruler with white markings, which shows measurements in millimeters (mm) and centimeters (cm). The ruler is placed horizontally, with the component's length aligned with the 0 to 100 mm scale. The background is a light blue surface.
Solder Board-Component View 2	 A photograph of the same green printed circuit board (PCB) component, labeled 'Solder Board-Component View 2'. This view shows the component from a different angle, highlighting the solder joints and the arrangement of components on the opposite side. It is positioned next to a black ruler with white markings, which shows measurements in millimeters (mm) and centimeters (cm). The ruler is placed horizontally, with the component's length aligned with the 0 to 100 mm scale. The background is a light blue surface.
