Attn: Ms. Gaspara

Subject: SAR Warning of DMC201

Dear Ms. Gaspara

According to your instruction, we have modified User Guide to include the caution sentence which FCC specified is inserted into the page behind the front cover page of the User Guide of BAM-201, which is identical to DMC201(FCC ID:NRNDMC200). Please find the attached sheet showing the position of the insertion of the sentence.

Sincerely yours,

Naohiko Matsudaira

Caution added

CAUTION:

To comply with FCC RF exposure requirements for body-worn operations, the Leather CASE (201CAS) accessory available from Bell Atlantic Mobile, Inc. must be used. Other third-party holders, belt-clips and similar accessories that have not been tested may not comply with SAR limits and must be avoided.

- Press the Soft Key under [MENU] to enter menu structure.
- Press **[*]** or **[#]** to scroll up or down through the menus.
- Enter the menu and menu item number (such as 46 for Ringer Tone) to open the menu item.
- Press **[CLR]** to back up one level without saving changes or **[END]** to cancel all the way out of the menus.

PRECAUTIONS
 Using your phone properly increase the number of years of service it will give you. Read the following cautions and **Phone Safety and Care** (page E35 on) before you use the phone.

1. DO NOT use the phone in an extreme environment where high temperature or high humidity exists.
2. DO NOT abuse the phone. Avoid striking, shaking or shocking.
3. DO NOT expose the phone to rain or spilled beverages.
4. DO NOT use unauthorized accessories.
5. DO NOT disassemble the phone or its accessories. If service or repair is required, return the unit to an authorized service center. If the unit is disassembled, the risk of electric shock or fire may result.
6. To prevent injury or burns, DO NOT allow metal objects to contact or short circuit the battery terminals.
7. DO NOT open the battery case. If the battery is accidentally broken, avoid skin contact with the internal chemical contents. If there is skin contact, wash the affected area immediately and seek medical advice.
8. DO NOT put the battery closed to, nor dispose it into fire.

9. The phone contains a rechargeable Battery. At the end of its useful life, under various state and local laws, it may be illegal to dispose of this Battery into the municipal waste stream. Check with your local solid waste officials for proper disposal procedures in your area.
10. Due to strong magnet used in the speakers, your Magnetized Card, such as credit cards or prepaid cards or Media such as floppy disk, VCR tapes, etc. may be magnetically damaged if they are put together with the phone. Keep the cards or media away from the phone.
