Solder Board-Component View 6	 A photograph of a green printed circuit board (PCB) populated with various electronic components, including capacitors, resistors, and integrated circuits. The board is placed on a blue textured surface next to a black L-shaped ruler for scale. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).
Antenna View 1	 A photograph showing the external components of the device. A black power adapter with a coiled cable is on the left. A black, rounded rectangular device is at the bottom. A coiled black cable, identified as the FM Antenna, is shown in the upper right. A red box highlights the FM Antenna cable, and a red line points from a label 'FM Antenna' to it. A black ruler is placed vertically on the left side of the components for scale, showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).

Antenna View 2
