Columbia, MD 21046

Date: 2021-08-31

To whom it may concern,

Reference: Original FCC ID: 2AIV6-T310, Model Name: T310

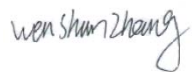

New FCC ID: 2AIV6-2-T310, Model Name: T310

We, Inrico Technologies Co.,Ltd, our product Smart Phone (Model Name: T310, FCC ID: 2AIV6-2-T310 ) has activated 2.4G WIFI and Bluetooth function by software. The change made to the device does not affect RF characteristics of LTE. So all test results of LTE will be referred to previous certified device (Model: T310, FCC ID: 2AIV6-T310) with report RDG200812009-00B issued by BAEL Dongguan on 12/22/2020.

We confirm that all information above is true, and we will be responsible for all consequences.

Please contact me if you have any questions.
