Columbia, MD 21046

Date: April 18, 2023

Subject: Class II Permissive Change for FCC ID: 2ARXN-FC3

To whom it may concern,

This letter is to request a Class II Permissive Change for the following equipment:

FCC ID: 2ARXN-FC3

Model: FC3

Initial authorization date: November 8, 2022

Now we, Barking Labs Corp. would like to modify the authorized equipment for the below changes:

- Modify receive-only antenna
- Modification to PCB layout without any impact on the approved radio parameters
- Change in PCB components without any impact on the approved radio parameters
- Mechanical change to front/back cover

Except for the changes listed above, no other modification is performed. All other radios remain identical as originally granted.

Sincerely,

A handwritten signature in black ink, appearing to read 'Robert Blake', is written over a light gray circular background.
