

EXHIBIT A: EQUIPMENT LABEL [2.925, 2.926, 2.1033(B2,7), 15.19(A3)]**LABEL EXAMPLE**

Refer to picture file "EXA_Label.pdf"

The FCC Identifier assigned to the EUT is FCC ID: CB2ACRLHL3. This number will be imprinted on the 0.75"x1.5" matte white label.

The label will be placed on the exterior of the CB2ACRLHL3 housing using an acrylic adhesive that will permanently affix the label.

Because of the small size of the device and because the installation is inside a portion of the automobile, the following statements will appear in the user's manual. Refer to Exhibit D for the entire text of the user's manual.

"This device complies with FCC rules Part 15. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference that may be received including interference that may cause undesired operation.

WARNING: The transmitter has been tested and complies with FCC and IC rules. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the device."

LABEL LOCATION

This photo illustrates the label location.

The graph shows a line starting at a high point on the left, sloping downwards to the right, and then becoming horizontal as it continues to the right edge of the plot area.
