**Evaluation of Raymarine MTX4-S3 & MTX5-S3
FCC id: PJ5MTX4-S3 & PJ5MTX5-S3**

The supplier has requested that the original grant be amended to show the correct power output value for this product. The original grant contained a typographical error which had not been noticed until this time.

There have not been any changes to the product in any material respect which could affect compliance with the FCC rules and regulations so a Permissive Change was performed.

All the original technical files uploaded to the FCC website remain unchanged.

Yours sincerely
