

To Whom it may concern:

This application for a class two permissive change is for the colocation of the below mentioned transmitters in TOSHIBA notebooks:

- 1) wireless LAN transmitter with FCC ID CJ6PA3070WL
- 2) Bluetooth transmitter with FCC ID CJ6PA3121BT

The above mentioned transmitters will be colocated in TOSHIBA notebooks and the user will have the possibility to operate both radio modules simultaneously. This will ensure that the user of the product is able to communicate with two different RLAN applications in parallel.
