Re: FCC ID H9P2121160 C2PC

Subject: Response to Correspondence Reference Number: 29526
(731 Confirmation Number EA437393)

Stan,

Question 1) Please try again to upload the NII application to process as a composite with EA437393.

Reply 1) The composite upload (UNII 5 GHz documentation) was done for the Class II Permissive Change for FCC ID: 2121160 See documentation under EA: 478640

Regards,

A handwritten signature in blue ink that reads "Mark S. Luksich". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Mark S. Luksich
Director Regulatory Engineering
