How to access the information

Settings→About phone→Technical regulations conformity certification

The instruction is included in the User's manual.

C. Labeling for Importation and Purchasing

The FCC ID is printed on the package.

D. Other considerations

1. The Electronic Label information must be programmed by the responsible party and the information must be secured in such a manner that third-parties cannot modify it.

The Electronic Label information is stored in the NVRAM mounted on the main printed circuit boards. Any third-parties and end user cannot modify it.
