Dear Ladies and Gentleman:

We at Shure Inc are submitting a hand held transmitter, having a Model Number **UT2B**, and a FCC ID Number **DD4UT2B** for Type Acceptance . This unit has been tested at DLS Electronic Systems Inc. and found to be in compliance with **Part 74, Subpart H**. Any Questions regarding this report should be directed to Edgar C. Reihl P.E. at (847) 866-2289 or ereihl@shure.com.

In an effort to reduce the file size I removed some of the photos that I thought to be superfluous. Should it be required these photos are available for submission.

I thank you for your assistance in this matter.

Sincerely Yours

Albert Wahout
