

# BT Audio Antenna Report

Manufacturer: Dongguan Lingdu Electronic Technology Co.,Ltd  
M/N: 2.4GANT

## 1.Gain and Efficiency

| Frequency<br>(MHz) | Gain<br>(dBi) | Efficiency (dB) | Efficiency (%) |
|--------------------|---------------|-----------------|----------------|
| 2400               | 0.21          | -6.62           | 21.26          |
| 2410               | 0.53          | -6.25           | 22.5           |
| 2420               | 0.18          | -6.63           | 22.81          |
| 2430               | 1.05          | -5.64           | 27.28          |
| 2440               | 1.03          | -6.24           | 24.6           |
| 2450               | 0.94          | -5.76           | 26.24          |
| 2460               | 0.55          | -5.56           | 25.28          |
| 2470               | 0.66          | -5.63           | 26.14          |
| 2480               | 0.57          | -6.24           | 23.23          |
| 2490               | 0.33          | -6.37           | 22.85          |
