

Authorization Letter

Date: 2022-11-18

FEDERAL COMMUNICATIONS COMMISSIONS
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, MD 21046

We, Tesla, Inc., want to submit this request for our device, model number: 1541584, which was granted on 2022-06-07 under FCC ID: 2AEIM-1541584. According to FCC confidentiality policy, the exhibits:

- User Manual
- Internal photos
- External photos
- Test Setup photos

are listed under short-term confidentiality, and those documents will be available to public on 2022-12-07.

However, this device will not be marketed until Mid-January 2023. To avoid any unnecessary disclosure and competitive harm before our product launching, we would like to request above exhibits to be held for another 60 days until 2023-02-07.

We, Tesla, Inc. authorizes Bay Area Compliance Laboratories Corp. to act on behalf of us and take care this process.

This authorization is valid until further written notice from the applicant.

Sincerely,

A handwritten signature in blue ink that reads "Cindy Li".
