Re: Application for Direct Sequence Spread Spectrum Transceiver Certification

To whom it may concern,

**Application:**

Intermec Technologies Corporation, 550 Second Street SE, Cedar Rapids, Iowa 52401-2029 herein submits for Certification of a Direct Sequence Spread Spectrum Transceiver FCC ID: EHA2610CF. Intermec is also the manufacturer of this equipment.

**Confidentiality:**

Pursuant to Section 0.459 of the Commission's rules (CFR 47), Intermec requests confidentiality for portions of the material contained in this application and that the identified material be withheld from public inspection following the grant of this authorization. This material contains Intermec trade secrets and confidential information that Intermec does not customarily release to the public and which is otherwise not generally available to the public. Confidentiality is requested for the following exhibits:

- Theory of Operation
- Schematics
- Frequency Block Diagram

**Description:**

This equipment is an 802.11b/g DSSS radio module, which operates in the 2400-2483.5 MHz band. Limited modular approval is requested since the radio design allows use in multiple hosts of various configurations.

**Contact Information:**

Please contact me by telephone at (319) 369-3865 or by e-mail ([scott.holub@intermec.com](mailto:scott.holub@intermec.com)) if there are questions or additional information needed concerning this filing.

Yours truly,
