

Date: June 28, 2016

SUBJECT: FCC Class II Permissive Change

We, **Qualcomm Atheros, Inc.** hereby declare that the intention of this Class II Permissive Change is to **add a host: Industrial Computer** (Model: **N01PC**/ Brand: **Dell**) to the certified module which was originally granted on **11/16/2015** under FCC ID: **PPD-AR5B22**.

The module mentioned above has been approved and it is electronically and mechanically identical to the original instructions and requirements except that the stable voltage will be supplied by the above-mentioned hosts with its own power supply regulator. Therefore, we, **Qualcomm Atheros, Inc.**, take the responsibility to ensure each module complied with all requirements after integration in the host.

Should you have any comments, please have my best attention. Thank you.

Sincerely Yours,

A handwritten signature in black ink, appearing to read 'Stanley Lin', with a stylized flourish at the end.
