

Cover Letter for FCC application

FCC ID: VBNAHHB-01

Applicant: Nokia Solutions and Networks

This is to request a Class II permissive change for Nokia Airscale Base Station AHHB (FCC ID: VBNAHHB-01) originally granted on 06/11/2018.

We changed following items from the original model:

- PA sub-assembly changes for better production yield.
- TX filter modified to have reduced loss.

We submitted following documents related to this change. There is no change before and after change except for these documents:

- AHHB_FCC_IC_RF_Test_Report_D568352794.
- Confidential_Schematics_AHHB102_474252A.
- Confidential_BOM_AHHB102_474252A.

Thank you for your attention to this matter.
