Dear Sir or Madam:

Telit Communications S.p.A. has applied for, and has been granted Federal Communications Commission (FCC) registration number RI7LE910NAV2 for its radio module which carries the Telit Communications S.p.A. model number LE910-NA V2.

This letter will grant permission on a one-time basis to GE Lighting, a company in USA, to apply for a "Change of Identification" for the above mentioned radio module, with FCC.

Telit Communications S.p.A. understands that GE Lighting must make this change in order to comply with Federal Communication Commission (FCC) regulations that apply to the GE Lighting product called A-1001652-01, FCC identifier PUULE910NAV2 and Telit authorize FCC to use information on file to grant such Change of Identification for this device.

Telit Communications S.p.A. is supplying the LE910-NA V2 to GE Lighting, unmodified and equivalent to the originally certified unit.

The device is being supplied to the applicant unmodified and equivalent to the original approved unit.

The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

Sincerely,

Ken Bednasz
Vice President of Application Engineering
Telit Communications S.p.A
